CLERK, U.S. DISTRICT COURT

This is a notice of status in the above captioned case. Last month in this same matter a telephone call was had between Tracy E Johnson and counsel for the defense. Certain items of discovery was discussed and was supposed to be received by now from the defense but it has yet to happen in all of this time. A monetary settlement was briefly discussed and denied by the defense, yet no counter offer was made at that time. These are the only events that has happened since the last court hearing. Seeing how this case is going to be resolved with a monetary settlement I encourage the defense to at least open the gates towards a agreeable monetary settlement solution.
